FROM THE GOVERNOR:

We will be having a Thanksgiving Day dinner at the Lodge. 2pm—5PM, we will need volunteers to cook and clean up. We will be putting up a sign up sheet, it will cost \$5.00 per person to sign up, when you attend your money will be refunded if you like. (if not the money will be donated to a local charity that needs it). If you would like to bring a donation please do so, there are many people in need in our Community. Bring friends or relatives. Less work –more fun.

Remember this is a Club, not a bar. All arguments need to be settled elsewhere and outside problems cannot travel here. We expect ALL of our members to be polite and Respectful of each other.

The bartenders are 100% in charge. Per House Committee NO ONE is allowed behind the bar, unless asked by the bartender on duty. Violations may be brought to the House Committee for Resolution.

This is a SOCIAL quarters, we come to socialize. Bring your comments, concerns or complaints to the board meetings and have your voice heard there.

Remember to try to make the places you go better places, be nice, try smiling. Say Hello, help someone else when you can.

There will be something happening here New Years Eve, just no plans finalized yet. Probably be some sort of Christmas Party here also. Come on in and check the scroller or white board for updates.

As always we need cooks for the Friday Fish Fry's (see Bear Hall) and Saturday College Football Hot Dogs and Coney's (see Bobby Dickinson).

The Women of the Moose have purchased new carpet to go with our new ceiling tiles and it should be installed shortly.

We are always interested in new ideas for food or entertainment and someone to help plan or run events. Let us know what ideas you have.

All of you traveling and being out and about this Holiday Season. **HAVE A SAFE AND FUN HOLIDAY SEASON.** Remember be kind, have fun and try to help the less fortunate or those you know that may have difficulty getting out. Lets hope for a good Holiday Season for all.
